

## SELF-DIRECTED STUDY GROUP PROJECTS

### REFLECTION SHEET

Participant: \_\_\_\_\_ Project Focus: \_\_\_\_\_

Did this self-directed project facilitate professional growth for you as well as collectively for your grade/building/department? If so, how?

In what ways did this project allow opportunities for teachers to think about their practice and to try and improve it?

Did this project provide occasions for teachers to share ideas and experiences? If so, please explain.

How did this model of professional development compare with the teachers' previous experiences of professional development?

Did you meet your learning goal(s)? How will this self-directed project serve you in the future? Can you think of any ways in which this project could be studied further in the future?
