

Alternative Assignment for Missed Protégé Meeting

PLEASE NOTE:

All protégés are expected to attend all eight of the protégé workshops in order to receive the certificate of completion you will need for your professional licensure. **COACHES ARE NOT EXCUSED FROM THE WORKSHOPS.** Please be sure that you have made prior arrangements if you need someone to substitute for a practice or game.

If, however, you must miss a workshop because of unavoidable circumstances, you should complete the assignment below and submit it to the appropriate steering committee member within one month of the meeting. If you miss more than one workshop, you will need to schedule a private meeting with Chris Morgan or Erica Lewis to discuss completion of the program. Failure to meet this commitment could result in denial of a certificate.

Write a 2 page paper on the topic addressed during the missed workshop. The paper should include the following elements:

- 1. A review of at least three articles or one book on the topic addressed at the missed workshop. Include a brief summary of the major points.**
- 2. An analysis of the research.**
- 3. A discussion of how the research could be applied to your teaching.**

Include a bibliography and citations.
