Dear Parents and Caregivers,

Thank you for visiting our website. Plymouth Public Schools is committed to supporting ALL students in their journey to find their passion and their voice as they work towards their individual goals as learners and in becoming dynamic members of the larger community. Our staff is dedicated to working with students and their families to help each and every child reach their full potential, while finding success in and out of the classroom.

I am very proud of the work we have done in Plymouth but know our work is never done. I am looking forward to our continued work together in making Plymouth Public Schools and its programs an extraordinary experience for our students. I am hopeful that you will find the information you are looking for on our website, however, if we can be of further assistance please do not hesitate to contact us at 508-830-4343 and someone will be able to assist you.

Sincerely,

A large, elegant handwritten signature in black ink that reads "Stacey A. Rogers". The signature is written in a cursive style with long, sweeping flourishes.
