**PLYMOUTH PUBLIC PRESCHOOL
LOTTERY PROCEDURES**

PRIORITIES:

1. “Established Risk” – Disorders/medical conditions that may cause developmental delays.
2. Children who have been participating in a program are eligible for continued services due to continuity of services and establishment of long-term friendships and the need for continued social and cognitive development. Parent must adhere to reapplication guidelines.
3. Siblings of students (peer or special needs) who will be returning to a Plymouth Public Preschool program.

Lottery System and Timeline for 3-5 Year Olds:

1. Children enrolled previous year are eligible for next year due to consistency and the establishment of the relationship with children with special needs. Parents must adhere to reapplication guidelines.
2. The ages and ratio of boys and girls with Special Needs dictate the ages and ratio of boys and girls from the community.

January-February – Enrolled students receive re-applications.

January-February – Applications accepted from the community.

March – Lottery is conducted.

April – Acceptance/Wait list letters are mailed.

May – Parent orientation and tour of school.

May – Registration for new students.
