

## LOAN OF TECHNOLOGY AGREEMENT

---

**Technology has become an integral part of teaching and learning. Students in grades 6-12 are required to come to each class with a charged school issued Chromebook daily.** It is the goal of the Plymouth Public Schools to enhance learning and teaching opportunities for its students. In this agreement, both the student and the parent/guardian are responsible for the care of the device and compliance with the specifics outlined in this handbook. In this agreement, the terms “you” and “your” shall mean the PPS student and his/her parents/guardians.

### Terms:

- You will be issued a Chromebook and the power cord/charger.
- You will comply with the PPS 1:1 Chromebook Handbook at all times.

### Ownership:

The Chromebook belongs to the Plymouth Public Schools and is loaned to the student for academic purposes. Your right to possess and use the Chromebook is conditioned upon your full compliance with this agreement and the policies/procedures outlined. This includes the responsibility to keep the Chromebook in good condition and charged for each day of school.

Your possession of the Chromebook will end on the collection date set by the school unless terminated earlier by the school due to withdrawal from the district or loss of privilege due to misuse.

As with the assignment of textbooks, students are financially responsible for the replacement of the technology should it become damaged, lost, or stolen. Students and staff to whom the Technology has been issued will be responsible for the full replacement cost.

**We have read this agreement, received and acknowledged the documents below, and consent to abide by the terms and conditions as prescribed herein:**
